Helpful Cleaning Tips

Heavy Duty Floor Cleaner Recipe:

ONLY use this and it leaves the floor spotless

-1 cup white vinegar

-1tbsp liquid dish soap

-1 cup baking soda

-2 gallons very warm tap water

Keep the tops of your kitchen cupboards clean

Place a layer of waxed paper or old newspaper along the top of your kitchen cupboards to prevent grease and dust from settling. Switch out every few months to keep them clean.

Get Crayon off the wall

Use WD40 to remove crayon from wall, after you have finished be sure to wash with warm soapy water to get rid of smell and grease mark.

Reduce Drying Time

Put a dry towel in the dryer with a wet load to reduce the drying time!

Scrub out your oven with Baking Soda, Vinegar, and Dish soap

Mix up 5 Tsp baking soda, 5 drops of Dawn, 4 Tsp vinegar....mix into a paste. Coat the paste everywhere with a sponge. Close the oven and let sit for about 15 minutes....come back and scrub.
