Pumphouse Maintenance

Please be advised that the Village will be completing upgrades to our water distribution system during the month of October.

The majority of work will be completed the week of October 22nd to October 26th.

During this time there will be a Precautionary Drinking Water Advisory issued for the Village.

You will be notified prior to the PDWA being issued via Canada Post, notices hung throughout the Municipality, our website, villageofdorintosh.com, and Facebook.

If you have any questions or concerns please do not hesitate to call.
Thank you for your patience.
